## GUIDE TO GLO-ING LOOKS

### Jewelry / Metallics

Antique gold, dark gold, burnished bronze, copper, tungsten, pewter and darker metals.

### Hair

Choose deep, warm or neutral tones. Espresso, mahogany, and dark auburn enhance your depth, while lighter tones can feel disconnected.

### Makeup

You shine in bold, warm or neutral, defined looks. Enhance multiple features while maintaining richness and depth. Avoid pale or overly cool tones.

#### Best Lip Color

Deep brick, oxblood, warm plum

#### Best Eyeshadow

Espresso, bronze, deep olive

#### Best Eyeliner

Dark brown, espresso, soft black

#### Application Tip

Gradually build depth and blend for a smooth, dimensional look.
