GUIDE TO GLO-ING LOOKS

Jewelry / Metallics

Soft gold, rose gold, copper, silver, nickel and brass with brushed or hammered finishes.

Hair

Choose warm or neutral tones that are soft, blended, and low contrast. Subtle highlights and natural dimension enhance your look, while harsh contrast or overly bold color can feel overpowering.

Makeup

You shine in warm or neutral tones that are soft, diffused, and understated. Enhance only one feature at a time – eyes, lips or cheeks. Avoid bright, bold colors or high contrast makeup looks.

Best Lip Color

Warm nude, soft peach, muted rose

Best Eyeshadow

Taupe, soft olive, dusty bronze

Best Eyeliner

Soft brown, muted bronze, olive brown

Application Tip

Blend thoroughly and avoid harsh lines. Your beauty is enhanced through softness and cohesion.
